

Boswell High School

Boswell Pioneers

Boswell High School opened in 1961 as the first high school in the district, and recently completed a two-year renovation in 2012. The Boswell campus is structured into academic houses that allow the needs of students to be better met. The houses create small learning communities which allows the campus to personalize each student's learning experience.

Mission: Through an unyielding commitment to fostering a culture of excellence for every student, BHS, in partnership with faculty, staff and community will intentionally provide a high quality education. We will excel in our mission through researched based teaching strategies, involvement in extra-curricular activities and prepare all students for post-secondary career opportunities.

Awards & Accomplishments:

- Received an academic distinction from TEA for Social Studies in 2015
