

Lake Pointe Elementary

Home of the Lake Pointe Owls

Since 2008, Lake Pointe Elementary faculty and staff have sought to instill a love of learning, so students can excel at higher grades. Here, student achievement is viewed as a team effort and parents are provided with opportunities to get involved on campus.

Vision: We are a learning community where all students, staff, parents/guardians and local community members strive for excellence in academics so as to prepare for a life of success.
