

Northbrook Elementary

Home of the Northbrook Blazers!

Since 2007, Northbrook has established a culture where diversity is celebrated, offering dual language classes, providing intervention for those who learn differently, and accelerating learning for those who have already mastered the curriculum.

Mission: The teachers will set high expectations, equitably provide tools and support, collaborate with other staff members, analyze data, and implement strategies and instructional practices that will provide intervention and acceleration for successful performance. The students at Northbrook Elementary will behave in a safe and respectful manner and are

expected to perform at mastery level on the readiness and supporting curriculum standards and become independent passionate learners.

Fun Fact: Dual language classes are available for students in grades K-5

2014-15 Test Data: Met the Standard and surpassed the targets set for all four performance indexes

2014-15 Student/Teacher Ratio: 21.04 students per teacher

Student Enrollment: 641 students in grades K-5 as of June 2016
