

Watson High School

The Watson Way!

All students can be successful - just not in the same way. At Watson High School, we work together to meet the needs of each student to ensure their success. Watson Warriors are persistent, brave, and disciplined champions and survivors!

Mission: Watson High School strives to be a community in which all students are inspired to embrace life-long learning and become productive citizens.

Philosophy: Not all students are successful in a traditional classroom setting. The curriculum, daily schedule, and classroom arrangements of Watson High School are designed to develop the personal responsibility and self-discipline necessary to earn a high school diploma. Students who are prepared to work hard can accelerate and progress towards that goal.

Interesting Facts:

- Parenting students receive instruction and parenting training as well as guidance to help them to adjust and stay in school during pregnancy and postpartum.
- 15:1 student/teacher ratio
- Watson students have the opportunity to earn more credits per semester than students at traditional high schools.
- Students at Watson participate in resiliency training to develop skills necessary to break unhealthy patterns and set positive goals for themselves.
- Students interested in attending Watson must go through an application and interview process before being accepted to the school.
